

The Initial Test

All the answers are either organizations or technical terms

All abbreviations are given entirely in upper case, even if they are sometimes wri

AAMA	American Architectural Manufacturers Association
ACCA	Air Conditioning Contractors of America
ACEEE	American Council for an Energy-Efficient Economy
ACH	Air changes per hour
ACI	Affordable Comfort, Inc
AEA	Association for Energy Affordability
AEC	Architectural Energy Corporation [or] Advanced Energy Corporation
AECP	Association of Energy Conservation Professionals
AEE	Association of Energy Engineers
AFUE	Annual Fuel Utilization Efficiency
AGA	American Gas Association
AIA	American Institute of Architects
AIVC	Air Infiltration and Ventilation Centre
ANL	Argonne National Laboratory
APPA	American Public Power Association
ARI	Air Conditioning & Refrigeration Institute
ASE	Alliance to Save Energy
ASES	American Solar Energy Society
ASHRAE	American Society of Heating, Refrigerating and Air-Conditioning Engineers
BCAP	Building Codes Assistance Project
BCR	Benefit/cost ratio
BEST	Building Environmental Science and Technology
BETEC	Building Environment & Thermal Envelope Council
BPA	Bonneville Power Administration
BPCA	Building Performance Contractors Association
BPI	Building Performance Institute
BTU	British Thermal Units [or] Building Tune-Ups, Inc
CABO	Council of American Building Officials
CAREIRS	Conservation & Renewable Energy Inquiry & Referral Service
CAZ	Combustion appliance zone
CCF	Hundred cubic feet
CEC	California Energy Commission
CEE	Consortium for Energy Efficiency [or] Center for Energy & Environment
CEUE	Center for Energy & the Urban Environment
CFL	Compact Fluorescent Lamp
CFM	Cubic feet per minute
CIMA	Cellulose Insulation Manufacturers Association
CMHC	Canada Mortgage & Housing Corporation
CO	Carbon monoxide
COAD	Corporation for Ohio Appalachian Development
COP	Coefficient of Performance
CREST	Center for Renewable Energy & Sustainable Technology
CRI	Color rendering index
CSG	Conservation Services Group

CUFCA	Canadian Urethane Foam Contractors Association
DOE	Dept of Energy
DSM	Demand-side management
EBN	Environmental Building News
EEBA	The Energy Efficient Building Association
EEM	Energy Efficient Mortgage
EER	Energy Efficiency Ratio
EFI	Energy Factor
EFI	Energy Federation, Inc
EIM	Energy Improvement Mortgage
ENRON	
EPA	Environmental Protection Agency
EPRI	Electric Power Research Institute
EREN	Energy Efficient and Renewable Energy Network
ETB-CETC-ACT	(ASK SKIP)
EWC	Efficient Windows Collaborative
FEMP	Federal Energy Management Program
FKT	Floor/kneewall transition
FSEC	Florida Solar Energy Center
GAMA	Gas Appliance Manufacturers Association
GPM	Gallons per minute
GRI	Gas Research Institute
HDD	Heating degree-day
HERS	Home Energy Rating System
HHS	Dept of Health & Human Services
HID	High-intensity discharge
HRV	Heat Recovery Ventilator
HSPF	Heating Seasonal Performance Factor
HUD	Dept of Housing & Urban Development
HVAC	Heating, Ventilating & Air Conditioning
IAQ	Indoor Air Quality
IBACOS	
ICAA	Insulation Contractors Association of America
ICDA	Indiana CAP Directors Association
IECC	International Energy Conservation Code
IES	Illuminating Engineering Society
JLC	Journal of Light Construction
KWH	Kilowatt-hours
LBL	Lawrence Berkeley Laboratory
LIHEAP	Low Income Home Energy Assistance Program
LPG	Liquified petroleum gas
MEC	Model Energy Code
NAHB	National Association of Home Builders
NAIMA	North American Insulation Manufacturers Association
NASCSP	National Association for State Community Services Programs
NASEO	National Association of State Energy Officials
NATAS	National Appropriate Technology Assistance Service
NCAF	National Community Action Foundation
NCAT	National Center for Appropriate Technology
NEEA	Northwest Energy Efficiency Alliance
NEEP	Northeast Energy Efficiency Partnership
NESEA	Northeast Sustainable Energy Association

NFPA	National Fire Protection Association
NFR	North Fork Retrofit [or] Natural Florida Retrofit
NFRC	National Fenestration Rating Council
NIST	National Institute of Standards & Technology
NRC	Natural Resources Canada
NRDC	Natural Resources Defense Council
NREL	National Renewable Energy Laboratory
NYSERDA	New York State Energy Research & Development Authority
NYSTAR	
OC	Owens Corning
ORNL	Oak Ridge National Laboratory
OSHA	Occupational Safety & Health Administration
PA	Pascal
PACE	Professional Association for Consumer Energy Education
PATH	Partnership for Advanced Technology in Housing
PF	Power Factor
PG&E	Pacific Gas & Electric
PIMA	Polyisocyanurate Insulation Manufacturers Association
PNNL	Pacific Northwest National Laboratory
PPM	Parts per million
PSIC	Passive Solar Industries Council
PV	Photovoltaic
R	Resistance to heat flow, hr-sq ft/Btu
RESNET	Residential Energy Services Network
RMI	Rocky Mountain Institute
SC	Shading Coefficient
SEER	Seasonal Energy Efficiency Ratio
SEIA	Solar Energy Industries Association
SHGC	Solar Heat Gain Coefficient
SIR	Savings-to-investment ratio
TEC	The Energy Conservatory
TSI	
TVA	Tennessee Vally Authority
U	Heat flow, Btu/hr-sq ft
VEIC	Vermont Energy Investment Corporation
V	Volts
VOC	Volatile organic compound
VT	Visible Transmittance
W	Watts
WAP	Weatherization Asistance Program
WECC	Wisconsin Energy Conservation Corporation
WRT	With respect [reference] to
